i **Information clause**

Pursuant to Article 13 of the Regulation 2016/679 of the European Parliament and of the Council of 27 April 2016 on the protection of natural persons with regard to the processing of personal data and on the free movement of such data, and repealing Directive 95/46/EC (Journal of Laws EU L 119/1 of 4 May 2016), hereinafter referred to as „GDPR”, Warsaw University of Technology hereby informs that:

1. The Administrator of your personal data is Warsaw University of Technology with its official seat at Pl. Politechniki 1, 00-661 Warsaw.
2. The Administrator has appointed the Data Protection Inspector to supervise the processing of personal data. The Inspector can be contacted via e-mail: iod@pw.edu.pl
3. Your personal data will be processed by the Administrator in order to conduct the recruitment procedure for studies/doctoral school, and in the case of being accepted for the studies/doctoral school in order to implement the course of study/education at the doctoral school - the basis for processing your personal data is Article 6(1)(d) of GDPR.
4. The Administrator will process the personal data from the recruitment documentation, and in the case of being accepted for studies/doctoral school in the field of personal data necessary for the implementation of the course of study/education at the doctoral school.
5. Warsaw University of Technology does not intend to transfer your data outside the European Economic Area.
6. You are entitled to access your personal data and to correct it, you have the right to request its removal, the right to request the restriction of its processing, the right to object to the processing of the data. Due to the fact that consent is not the prerequisite for processing of personal data, you are not entitled to data transfer.
7. Your personal data will not be made available to third parties (administrators), except for entities authorised in accordance with legal regulations.
8. Access to your personal data may be given to entities (processing entities) who are contracted by Warsaw University of Technology to perform actions which may be related to personal data processing.
9. Warsaw University of Technology does not use automated decision making with regard to you and does not profile you.
10. Providing your personal data is voluntary, however, failure to provide them makes it impossible to achieve the goals set out in point 3.
11. Your personal data will be processed in the case of:
 - conducting the recruitment procedure for studies/doctoral school, for a period of 3 years from the end of the recruitment process;
 - being accepted for studies/to the doctoral school, for a period consistent with the course of study/education at the doctoral school, and then they will be archived and will be stored for 50 years;
 and for the period necessary to secure any claims.
12. You are entitled to lodge a complaint to the supervisory authority – the President of the Office for Personal Data Protection if you find that the processing of your personal data violates the provisions of the GDPR Regulation.

The form has several tabs: "Basic personal data", "Address and contact information", "Photo", "Education", and "Additional personal information". The "Education" tab is active. Below the tabs, there is a section for "Education" with instructions: "While typing your personal data, remember that if you're enrolled, your data will be uploaded to university systems. Your personal data will be displayed on students lists and printed on university issued documents. In Polish, proper names (such as school names, city names) are written with a capital letter. Only the first letter should be capital, not all of them. Do not enter Cyrillic or Chinese characters, use Latin transcription instead. Do not put spaces or any other punctuation in document numbers." Below this, there is a note: "Depending on what studies you apply for, you need to add respective certificates concerning your education or other qualifications. In some cases you can add documents without entering all the information about them. However, you might need to fill in the missing data before printing the enrollment application form." The form has a "High school country" dropdown menu with "-- select --" and a "Save" button. A red arrow points to the "Save" button at the top right of the form.

15. Section 'Photo'. Please note that photograph should be a good quality, dedicated to student's ID. The photo should be of good quality. The background should be white, smooth and not too bright. The picture should show the whole head. The face should occupy 70-80% of the photo and must be pointed straight into the camera lens. The picture should show a visible face oval, without a semi-profile. The head can not be skewed.
